## From AMT for Total Alert A GPS Cellular Enabled Key Fob for TotalAlert

### AMT -Safe Key:

SafeKey is the ultimate personal safety solution.

The fob is equipped with the world's leading location based technology with an SOS personal emergency locator panic button, transforming your keys into a state-of-the-art weapon to meet the threat of personal danger.

SafeKey is simple, easy to use, and is a direct connection to help. SafeKey is essential, convenient, and provides peace of mind. The SOS button is guarded against false hits while a lighted system warns potential attackers. Cell phone 911 use is often unrealistic or impossible.

The SOS button is guarded against false hits, while a lighted system warns potential attackers. Cell phone 911 use is often unrealistic or impossible.

With crime stats rising with the population, make your keys a SafeKey, and assure you have rescue in the palm of your hand every time you leave your home.
